POST CONGRESS AND LADY TOUR

Main points of interest:

- **Garda Lake Water Tour**
- **Andrea Palladio, the Master of Harmony and Vicenza**
 Vicenza, a town in the World Heritage List, 500 years after Palladio's birthday (1508)
 - 1) Vicenza is a special artistic ensemble, due to the many works by Andrea Palladio himself.
 - 2) Palladio's city and works have had a profound influence on the history of architecture, dictating the rules of town planning in most of Europe and the rest of the World.

Some other interesting arguments:

Francesco Petrarca – the first humanist
 The Renaissance – one example: Mantua and Gonzaga Lordship
 The Republic of Venice – 1000 years of history
 The Republic of Venice – the culture of the “Villa” in Veneto
